2. 교과목 개요

강의개요	Action English is an action-oriented English conversation class, conducted through TEE (i.e., teaching English through English). It aims at increasing students' communicative competence, especially in speaking and listening, as well as reviewing and presenting. Thus, in this course, writing is not emphasized much for evaluation purposes. Students will participate in various types of carefully-designed classroom activities/performances/tasks. This class is a 3-credit course that meets 4 hours a day: 3 hours of speaking and 1 hour of listening.					
학습목표	To enhance students' communicative competence in reviewing, speaking, presenting, and listening in English with various classroom activities/tasks/performances/presentations in English.					
문제해결방법	Students will be required to apply English communicative competence developed into new contexts and develop their problem-solving skills to expand their communicative competence. Students will also be asked to teach one content area from their majors into presentation format, so that they learn to develop not only everyday language skills, but also their academic language skills in English.
